Craft-Bilt® Manufacturing Company

Aluminum Decking Components

The following warranty applies to aluminum decking components manufactured by Craft-Bilt Manufacturing Company, 53 Souderton-Hatfield Pike, Souderton, Pennsylvania 18964

Coverage:

Craft-Bilt Manufacturing Company warrants the aluminum components used in our decking systems under normal use and service conditions against structural defects, twisting, peeling, blistering, flaking, splitting, rusting and cracking for the lifetime of the product.

Craft-Bilt will, at our expense and option, correct any defects by repairing or replacing the defective components or refunding the purchase price based on the original invoice. Craft-Bilt reserves the right to discontinue and make changes to any of our products, and in such an event will substitute components that in our opinion are of equal grade, quality and price. Normal weathering and aging of existing components will preclude a perfect color match of repaired or replaced components.
